I	K	B	A	N	Y	B	T	M	G	T	M	A	it; rather , I
													received it
													by revelation
													from Jesus
													Christ . For
													you have
													heard of my
													previous way
													of life in
													Judaism ,
													how intensely I persecuted the church of God and tried to destroy it. I was
													advancing in Judaism beyond many of my own age among my people and
													was extremely zealous for the traditions of my fathers. But when God, who
													set me apart from my mother's womb and called me by his grace, was
													pleased to reveal his Son in me so that I might preach him among the
													Gentiles, my immediate response was not to consult any human being. I did
													not go up to Jerusalem to see those who were apostles before I was, but I
													went into Arabia. Later I returned to Damascus. Then after three years, I
													went up to Jerusalem to get acquainted with Cephas and stayed with him
													fifteen days. I saw none of the other apostles — only James, the Lord's
													brother . I assure you before God that what I am writing you is no lie. Then I
													went to Syria and Cilicia. I was personally unknown to the churches of Judea
													that are in Christ . They only heard the report: "The man who formerly
													persecuted us is now preaching the faith he once tried to destroy ." And
													they praised God because of me.

Paul preached and men praised ...
