Genesis 11:1-9

Understanding the Bible:  
What is the problem being expressed in this Bible passage?

How does God show up in this Bible Passage?

What does Pastor Tom say is the undoing of Babel in the New Testament?

Now the **whole world** had one **language** and a **common** speech. As **people moved eastward**, they **found** a plain in Shinar and settled **there**. They **said to each other**, "Come, let's **make** bricks and **bake** them thoroughly." They used **brick instead** of stone, and

tar for **mortar**. **Then** they **said**, "Come, let us **build** ourselves a **city**, with a **tower** that reaches to the heavens, so that we may **make** a name for ourselves; otherwise we will be **scattered** over the **face** of the **whole earth**." But the **LORD** came down to see the **city** and the **tower** the **people** were building. The **LORD said**, "If as one **people** speaking the same **language** they have begun to do this, **then** nothing they plan to do will be impossible for them. **Come**, let us go down and **confuse** their **language** so they will not understand **each other**." So the **LORD scattered** them from **there** over all the **earth**, and they stopped building the **city**. That is why it was called Babel—because **there** the **LORD** confused the **language** of the **whole world**. From **there** the **LORD scattered** them over the **face** of the **whole earth**.
